In the Northern marches of Grey Niche, also known as "Three Rivers"

## War of the River Baronies at Samhain 2015

October 22-25, 2015

The Castrum, 300 Valley Drive, Lafe AR, 72436

Since AS XX, when Her Excellency Arielle, then-Baroness of Grey Niche, first claimed the lands of Three Rivers, there has been unrest and even open rebellion by the Calontir populace of Three Rivers. At least five times Grey Niche has had to muster its allies to bring its Northern subjects into line. Now, once again the populace of Three Rivers chafes against their Grey Niche overlords, and Her Royal Highness Duchess Linnet, Baroness of Grey Niche, declares, "No more!" Tired of the lack of tribute and cost of governance, Her Highness has declared that the Rights to govern Three Rivers will be given to whoever makes Her Highness the best offer. She will grant the Right to govern, but whoever secures this Right should come prepared to occupy their new lands by Force.

Negotiations will take place at **The Castrum**, a period Roman fort located at **300 Valley Drive, Lafe, AR 72436**. The site will open at 3:00 pm on Thursday, October 22 and close at noon on Sunday, October 25, 2015

Activities will include multiple war scenarios in and around the Roman fort, live weapons competitions, a bardic competition and singing around the campfires. If there is an activity not listed that you would like to see, please contact the autocrat to see if it can be added.

This is a tenting only event (no beds). No feast will be provided but grills will be available. Food vendors and other merchants are invited and encouraged to attend. Please contact the autocrat and reserve in advance to reserve space in the vending area.
