Yep, you read that right! Like our forebears of 1966, we're doing an event in a member's backyard.

Do you want a weekend of tournaments and melee fighting?! Then come on down to the newest site in Glearn Abhann. We have open space for tenting. We have an open field area for fighting. We have grills for cooking. Bonfire and bardic planned for Saturday night. Winners of the tournaments will represent Wyrmegeist in the next Tournament of Champions Group Champion Qualifier. You bring it in... you cart it away is all we ask. Site is wet. Hope to see ya there.
