September 7th, 2019

from 10am to 5pm

at Woodlawn Baptist Church

5805 Jones Creek Rd, Baton Rouge,

LA, 70817

Is your craft room collapsing under the weight of too much fabric? Did you change personas and need to trade your wool for silk? Do you have old feast gear, jewelry, lanterns, and other SCA items that you no longer use? Bring it all to the bazaar!!

It is a day of trading, bartering, and learning. Classes will be held that are all geared towards the beginner so that you can enter with fabric, and leave with garb! There will also be a games' tables and a potluck lunch (please bring a dish that will serve six). Several contests will be held like Ugliest Fabric and Best Barter. At the end of the day there will be the Full Contact Fabric Melee.

\*\*Please note that the site does not allow alcohol or tobacco on property. Only service animals are allowed.\*\*
